Gift Aid

Make your donation worth more with Gift Aid at no more cost to you. Gift Aid will increase the value of your donation to GAF, currently 25 pence for every £1 donated . Gift aid is conditional on you paying income tax or capital gains tax at least equal to the tax GAF reclaims on your donation.

I would like the Greyladyes Arts Foundation to treat this and all future donations for the purpose of reclaiming Gift Aid and confirm that I meet with the tax requirements as above.
